

CITY SECRETARY REPORT

ESSENTIAL PROJECTS COMPLETED IN JUNE 2017

- Department of Public Works: Finished replacing water line along Avenue A. They also had numerous water leaks and sewer main stop ups.
- Road Dr's have repaired all major pot holes around town.
- We have cleaned and power washed the tables in Santa Fe Park, painted the playground equipment, and hung string lights around the gazebo.
- Opened nine new water accounts this month.

ITEMS TARGETED FOR COMPLETION IN JULY 2017

- Department of Public Works: Will focus on replacing the old water lines up 10th Street to Avenue C, possibly starting 11th Street from Avenue A to C, and also be running water and sewer line to the Old Baseball Field for the Splash Pad, Basketball Court and repairs on the bathrooms.
- We will also be working on installing new security camera in Santa Fe Park along with 3 new guard lights to help brighten up the park at night and add security.
